MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

JANUARY 15, 2008

**IMPACT OF GOVERNOR'S BUDGET**

On January 10, 2008 the Governor released his proposed \$101 billion budget with a projected \$14.5 billion deficit. His immediate and long-term solution involves three parts: ten percent cuts in the current year; continue those cuts in the budget year and make them permanent; and adopt a constitutional amendment called the Budget Stabilization Act (BSA) that would limit spending in future years when revenues are plentiful.

**I, THEREFORE, MOVE** that the Board of Supervisors direct the Chief Executive Officer to analyze the impact of the Governor's budget on the County and report back to the Board.
